Compliance Statement

Compliance with International Import and Export Laws and Regulations

Auxitrol Weston is committed to full compliance with the letter and spirit of the laws and regulations of the United States, the European Union and all countries in which business is conducted. It is the policy of Auxitrol Weston to abide by all applicable laws and regulations. Under no circumstances shall compliance be compromised for commercial gain.

Trade compliance applies to all exports, re-exports, transfers, procurement, services or importation of all commodities, technology and services from and to all countries where Auxitrol Weston conducts business. This may include not only physical shipments but also the release of technology to foreign nationals domestically or abroad.

Auxitrol Weston Trade Compliance Program is established to ensure compliance with the government regulations of any country. The persons responsible for administering this program will be provided the necessary support to maintain compliance.

All Auxitrol Weston's employees are responsible to ensure their activities are conducted in full compliance with the Trade Compliance Program. If any employee has reason to believe that any export or re-export may be destined for an inappropriate end-use, end-user, or destination or may be made in violation of applicable regulatory requirements, such person shall halt the transaction and contact the local Trade Compliance office for further due diligence. We therefore ask every employee to ensure that under no circumstances a transaction occur contrary to Auxitrol Weston's policy of full compliance.
